RE: Award Nomination Support

Dear Rolf,

I understand that you're being nominated for a prestigious award to recognize your community and business contributions to Atlantic Canada. I'm sending this letter to lend my voice to support the application for you to receive such an award.

In my previous capacity working in economic and business development on Cape Breton Island, I've had the pleasure of getting to know you as a person who is interested in developing the region and giving back to communities. I recall well-deserved recognition for your contributions by the Strait Area Chamber of Commerce and just driving through Richmond County, it's plain to see the direct and positive impact that you've made. I've also noted with gratitude your contributions to the Port Hawkesbury Rotary Club and the Nova Scotia Community College, to name a few.

I want to take this opportunity to thank you for offering the use of the incredible Friends United International Convention Centre to the County for future gatherings. It's my hope that pandemic restrictions will soon lift so that we can take you up on that offer. As a recently elected official in District 4 in Richmond County, I look forward to continuing our collaboration for the benefit of our communities in the future.

Best of luck with your award application!

Warm regards,

Amanda Mombourquette
